ASI KERALA CHAPTER PERIPHERAL MEET FEB 9&10 2019

AZEEZIA INSTITUTE OF MEDICAL SCIENCES & RESEARCH
MEEYANNOOR / KOLLAM-691537 / PH : 0474-2722222

Organized by : Surgeons Club of Kollam & Azeezia Medical College

Dear delegates,

It's time for the much awaited surgical event in Kollam. Let us proudly invite you all to attend the prestigious ASI Peripheral Meet to be held at Azeezia Institute of Medical Science and Research. Renowned as 'Desinganadu' since long, Kollam, known for it's beauty as a city with a rich cultural heritage lying cradled in the arms of the mesmerising Ashtamudi lake. Thangassery Light house, Jatayu rock, Palaruvi falls & Kollam beach are some of the 'must see places' in this cashew capital of the world. Located away from the hustle & bustle of heavy city traffic, lying like a hammock between the hillocks & valleys of the location, Meeyannoor is being considered by the natives as a 'mini-Wayand' of Kollam Dist. offering enough solace for learning.

It is a two day program with CME sessions by eminent national & state faculty. We request you all to actively participate in this program and make it a grand success.

Dr. Karunakaran Nair
Organising Chairman

Prof. Dr. T. A. Vasu
