Welcome Message

Dear Esteemed Colleague,

The entire globe is in the grip of the Covid pandemic for the past two years. It had prevented all of us from meeting physically and exchanging science, knowledge, and experience. However, we have used web-based platforms for meetings well to teach and meet each other. The Peripheral Meet for the year 2022 again is planned on the web-based platform on 13th March 2022.

The scientific deliberation will be done between 1700-2000 hrs, The meeting will be FREE for all including all the Postgraduates. We request all esteemed members and postgraduate students to attend the meeting to make this conference a grand success
